WIRE MESH BASKETS

Rectangular Baskets- Made with heavy duty wire mesh, these large baskets are perfect for keeping parts together during cleaning and storage. Baskets have a removable lid locking lid. All are provided with handles for lifting and a lifting bar for moving the basket on and off the turntable. Place small baskets inside larger baskets to wash small nuts, bolts and other small parts. Stainless steel baskets are available –Call MART Tech Services for details.

<u>Lg x</u>	<u>Wd x</u>	<u>Ht</u>	<u>Cap Lbs</u>	<u>MESH SIZE</u>	<u>Wire Dia</u>	<u>ITEM#</u>
20	20	16	200	3/16 square openings	.080	#21360
20	20	16	200	3/8 square openings	.125	#21320

RATCHET STRAPS

To hold the baskets on the turntable use ratchet straps. ratchet straps are 2 " wide and made with polyester material. Polyester is resistant to stretching under heat and water. Nylon straps will not work because the nylon absorbs water and will stretch.
